

New England Herpetological Society
Small Study/Research Grants

Name _____

Street _____

City _____ State _____ Zipcode _____

Phone _____ Cellphone _____

Project Title _____

Proposed Start and Completion Dates _____

Dollar Amount Requested (Up to \$1000) _____

Brief Statement of Qualifications (You may include this in your proposal if you prefer)

Please submit with this application a written proposal covering the following points:

1. Objectives
2. Value of this work to NEHS
3. Methods you will use
4. Previous work in this area (both as brief narrative and as publications cited)
5. A detailed budget

A stipulation of the awarded grant will be a written report or powerpoint presentation on the project which the NEHS may choose to publish on its website and/or add to its library, or the researcher may agree to present a program on the funded work at a generally scheduled meeting to the membership in attendance.

Any worthwhile research or study project will be considered. We hope to see proposals on captive breeding, husbandry, nutritional and behavioral research, and inventories of local reptile and amphibian populations.

Grants are available to persons, projects and organizations within the New England area only.

Grant proposals should be mailed to the following address:

New England Herpetological Society
Grants Committee
500 Columbian Street
Weymouth Ma 02190
